RE: MURs 4935 and 5057

Dear Mr. Elias:

On October 16, 2001, the Federal Election Commission (the "Commission") denied the Motion to Quash that you filed on behalf of your client, Dear for Congress (the "Committee"), in response to the Commission's Subpoena and Order.

The Commission, however, is willing to be flexible as the Committee complies with the Subpoena and Order. With respect to document requests, the Commission will require that the Committee submit only documents requested in documents requests #1 through #3 that have not already been provided to the Commission's Audit staff. If all of the requested documents have been provided, the Committee must indicate in its response to the Subpoena and Order that any and all documents requested in the Subpoena and Order have been provided to the Commission. With respect to interrogatories, the Commission will not require the Committee to submit an answer to Interrogatory #17 in order to be in compliance with the Subpoena and Order. Thus, in its response to the Subpoena and Order, the Committee may decline to submit an answer to Interrogatory #17.

The Committee's response to the Subpoena and Order is due within 30 days of your receipt of this letter. If you have any questions, please contact me at (202) 694-1650.

Sincerely,

A handwritten signature in cursive script that reads "Delbert K. Rigsby".
